of Correction*

Dear Commissioner:

Applicant requests a Certificate of Correction for U.S. Patent No. 6,866,572.

Three errors are mistakes made by the Patent Office while printing the patent: Column 8, Line 48 cancel “to enable the rind” and insert –to enable the ring--; Column 8, Line 6 cancel “A flat type” and insert –A flap type--; Column 9, Line 12 cancel “by the disk” and insert –by the disk,--.

Five errors are typographical mistakes made by the Applicant and we would like to have the Patent Office correct these typographical mistakes as follows: on the cover page the Assignee’s Name should read: “M&F Entwicklungs-und Patenverwertungs-Gmbh”; the PCT filing date should read “March 22, 1999”; the Attorney, Agent, or Firm should read “Paul A. Beck & Associates, P.C.”; Figure 1’s Number 4 should be a “1”; and Column 9, Line 6, cancel “rotration; and” and insert—rotation--.

Applicant is enclosing Check No. 390 in the amount of \$100.00 for the correction of these five errors.
